Additionally, the provisions of Section 2.2-3115 of the *Code of Virginia (1950), as amended*, require that "The members of the governing body of any authority established in any county or city, ... and having the power to issue bonds or expend funds in excess of \$10,000 in any fiscal year, shall file, as a condition to assuming office, a disclosure statement of their personal interests and other information as is specified on the form set forth in Section 2.2-3118 and thereafter shall file such a statement annually on or before January 15 . . . Forms shall be filed and maintained as public records for five years in the office of the clerk of the respective governing body ..."
