Donald Mills

Suffolk, Virginia 23434

Dear Mr. Mills,

Thank you for participating in the panel interviews that were held on April 18, 2013. Your attendance not only gave our candidates an opportunity to receive feedback from ones outside of the department, but I hope it also gave you a better look at the men and woman whom protect and serve this community.

Again, thank you for participating in our interviewing process and please do not hesitate to contact me, should you need something in the future.

Sincerely,

Thomas E. Bennett
Chief of Police
